MELBOURNE
POLYTECHNIC

DISCOVER DIFFERENT

Melbourne Polytechnic offers a different way to learn. In 1910, we began training people – just like you. Today our courses are as hands-on and highly regarded in the workplace as they were more than a century ago.

And as Australia's first true polytechnic, we offer the chance to learn from training professionals who come from industry. At the same time, we teach you the theory and knowledge you need to establish a career for yourself.

We are known for graduates who are ready for the workplace – whatever you choose to study. We make sure you have the practical skills and the hands-on experience to grow as professionals.

Many of our courses offer work placements, networking opportunities and modern training facilities that are industry standard. Our teachers are passionate and established in their professions, ready to guide you in yours.

A Melbourne Polytechnic qualification can help you get ahead but also lead the way – we develop talent and skills in young people who can then move into new jobs and different industries with confidence.

Our teachers are here to help you achieve your best, and they understand that circumstances can change. If you face barriers to study, we also offer you personalised pathways, flexible study options and learning support.

With certificate level qualifications through to master degrees, Melbourne Polytechnic offers pathways to further study and being job ready. If you want to get ahead, our supportive teachers will show you the way.

FEES, CHARGES AND FINANCIAL ASSISTANCE

Many of the deciding factors regarding course fees are determined by your course selection and individual circumstances at the time of enrolment.

Melbourne Polytechnic offers several options when it comes to paying fees and seeking financial support.

You may be eligible for:

- ▶ **VET Student Loans** (for VET students)
- ▶ **FEE-HELP** (for higher education students)
- ▶ Concessions on tuition fees, or
- ▶ Tuition Payment Plan (TPP) - Debitsuccess
