

Tuition Payment Plan (Debitsuccess)

VET Courses

Melbourne Polytechnic is pleased to announce that there is now an option to pay tuition fees through a Tuition Payment Plan (TPP) managed by a third party, Debitsuccess Pty Ltd - one of the largest direct debit providers in Australia.

Under a TPP, you authorise Debitsuccess to automatically debit tuition fees from your bank account or credit card on a weekly or fortnightly basis over a set period of time.

If you are enrolling in an eligible Vocational Education and Training (VET) course and you meet certain eligibility requirements, a TPP may be available to you.

Please read on for more general information about a TPP and how Melbourne Polytechnic can assist you if you do choose this option.

All amounts in Australian dollars.

The information provided in this brochure is general information only and you should seek your own independent advice as to whether the TPP is an appropriate option for you.

What is a Tuition Payment Plan?

A Tuition Payment Plan or TPP is a contract that allows you to pay your tuition by direct debit on either a weekly or fortnightly basis.

A TPP is a legally binding contract. If you enter a TPP you will be bound by the terms and conditions set out in that contract.

It is important to realise that *Debitsuccess* is managing the contract and any communication should be directly with *Debitsuccess*, as set out in the contract. However, Melbourne Polytechnic may assist you to lodge the documents necessary to enter a TPP or approve the cancellation of a TPP in the 'cooling off' period.
